Mission Statement

To support action in biodiversity management and conservation by providing sustainable financing for local initiatives.

Local Project

The SCNCF financed its first project in May 2023. The project is focused on conservation actions within the Central Forest Reserve National Park in St. Kitts. Among the intended results are the demarcation of forest boundaries, enhancement of forest trails, reforestation and herbal cultivation.

National Conservation Trust Funds **The Caribbean Biodiversity Fund**

At the national level, partner National Conservation Trust Funds (NCTFs) lead the grantmaking process, finance projects and drive programs for the protection and preservation of the marine and terrestrial ecosystems within their countries.

The Caribbean Biodiversity Fund (CBF) is a regional umbrella environmental fund that implements innovative solutions and consolidates regional conservation impacts in the Caribbean through a range of financial instruments.
